

J-TEQ EMS Solutions Ltd

REACH COMPLIANCE

POLICY STATEMENT

Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use. EC 1907/2006 compliance date was June 2018. Companies based in UK and supplying UK & EU will register to EU requirements and also UK REACH regulations 'Grandfathering' from 30th April 2021.

REACH, as it applies to J-TEQ EMS Solutions Ltd, is to ensure protection to human health and the environment from the risks that can be posed by chemicals.

J-TEQ EMS Solutions Ltd policy is to perform due diligence in reviewing regulation and list of substances included in Annex XIV of REACH ("Authorisation List") for new additions and avoid using materials in our production that are "Substances of Very High Concern" for Authorisation (SVHC).

For industry standard parts used in J-TEQ EMS Solutions Ltd processes and for fabricated parts; purchased to Customer published specification, we will ensure to meet this obligation through close contact with our suppliers on such matters.

As a Sub-Contract Manufacturer, we do not own the product and therefore are not required by the REACH Directive to become registered.
